To whom it may concern. I, Eric B. Lappoehn, at 8916 Signal Terrace Dr. Las Vegas, NV. 89134 - e-mail: eelapp@lvcn.com sincerely and urgently request that you stop persecuting Microsoft. In all the litigation that has been going on for the last year or so, no one and I mean no one has asked the millions of computer users what they thought about this persecution of Microsoft. Microsoft's competitors are upset that Microsoft is giving away, for free, programs to millions of computer users that THEY want us to pay for. I am very happy to use all the programs Microsoft offers and I DO NOT need THEIR competition. If THEY produce a product that is superior to Microsoft's I will consider it. Up to this point in time I have not seen anything better offered by anyone else. Sincerely, Eric B. Lappoehn
